Comments: Facility Inspection completed via facetime with no compliance due. The licenser was able to view the facility, staff, and children. Discussed renewal with Bobbie and what was needed. Bobbie has called fire a few times but hasn't received a callback, she will call again today to see if she can get the inspection scheduled. Bobbie would like some clarification on field trips and if they are allowed to do field trips to parks, movies, etc. Explained I would get clarification from health and let her know.
