Comments/TA Provided:

Required unannounced visit completed at the facility this date. Everything is going well, does have one new staff. Staff records 9 verified and updated during the facility visit. Bobbie has two staff that will be doing CPR/FA tomorrow. Reminded Bobbie that she has several staff that is expiring in May/June. Also, central registries will be due May/June. They are now using the pro-care app for attendance and tracking purposes. Discussed emergency situation if internet they would need a paper back up so that they could still account for children, also when they begin transporting again they will want to have a way to keep attendance for the bus. y There are 9 children 4-5 in the pre-k room with Kiley and Ericka (Variance). There are 10 children with 2 staff 1 1 yr old, 5 2 yr olds 4 3 yr olds with Hailey. 6 infants with 2 staff (Sherri /Tymekia) They're still screening kids and keeping children home or sending them home if they are ill. Please call me with any questions or if you need anything.
