Director Casey Brown was present in the kitchen area with staff in the kitchen with one infant. Staff Ashley was cooking and watching the infant in a infant seat. Alex was present in the adjacent toddle room with 17 children. Ages 6-1yr, 6-2yr and 5-3yr. Preschool group had 22 children with one staff. One infant and 21 children 3 to 8 years of age. Casey was the second staff in the preschool room with staff Samantha. Ratios were not in compliance at the time of the visit and this was discussed with Casey Some children had been picked up or left for preschool so ration were close to compliance when licenser left. Over by one in the toddler room and over by 3 in the preschool room Casey estimated by 3 PM today she would be back in ratios. Licenser requested email documentation when ratios were in compliance. . Staff cooking rules and licenser will research it get back to Casey about what can be done to accommodate the lunch and snack prep. Casey agreed to be in compliance by the end of today.
