Unannounced via zoom. Reminded Nicole that her central registry expires in 2/2021. Reviewed the new staff and discussed minors and a quicker way of getting them into the classroom when they turn 18. Discussed the FA/CPR and extension of dates. Also explained that the online class may be taken with a hands on skills test within 6 months following. Preschool class was playint with trains. Had 13 with 2 teachers. Ages 3-4. Cubbies were safe and clean. Ashley had 7-2 yr olds and reading stories. There were 5 1 yr olds with Tavi. 2 staff were with 7 infants. Diaper logs were initiated for the day. All staff had masks on. Nicole reviewed the check in process and it is per the health order. Good Job!
