Facility visit to check facility premises as due to the internet wasn't able to view the facility. There are 16 children ages 3-10 with 2 staff Laura and Wendee. Wendee got a grant and will be adding a sink, rugs and a staff to clean for the COVID changes that have occurred. There are 3 one year and 2 infants w/2 staff Angie and Kristi. They have received all staff verifications for Angie. Bella (Wendee's daughter) is helping out. They are using her as a youth trainee when she is here. There are 8 children ages 2-3 with Megan. They added a tree net swing. I gave Wendee the information I would research and let her know if these it could be used. They also added a book nook swinging hammock. Photos of swing taken and will let Wendee know once I have researched and staffed with supervisor. please call me with any questions. Thank you
