Unannounced visit - There are 2 infants and 1 1 yr old today with Meghan There are 9 3-5s with Kristi and Bella. There are 5 children 2-3 yr olds with Junia There are 5 children 1 yr olds with Becca They have 28 children enrolled at this time. Children are outside playing. Discussed playground. The loft needs to be hung per manufacturer's instructions. Discussed that I believe it is 18 inches but will need to double check. Also, Wood chips need raked so that they are 6 inches deep around equipment. There was an infant asleep in a bouncer, Staff stated she just fell asleep. The infant was moved while I was in the room. Reviewed staff records while at the facility. They have one new staff, all verifications are current and on file. Staff does need to have medication training. Requested that thy send me a copy of the updated staff record. New rule book and rule tool were given to Wendee. Please let me know if you have any questions. Thank you!
