Unannounced visit. Things are going okay since reopening. Jennifer is still taking Temps and monitoring symptoms. Is keeping her numbers low and only has 8 children so if the schools close she has a couple spots. Husband has had a few positive COVID students. Reminded if she has any kids leaving facility to be tested they need to be kept out until test results received. If they receive a positive test she needs to contact me so that we can see if further action. There are 8 children present at the time of visit. Nolan 1, Luca 3, Madeline 2, Riley 3, Jack 2, Oliver 3, Rusten 2, Josie 4. Other than adding additional sanitation and symptom monitoring Jennifer doesn't have any changes. She has reduced toys and is rotating toys so that she can assure proper sanitation. Discussed virtual conference and told her to register. Please call me with any questions. Thank you!
