Comments/TA Provided:

Checked all classrooms. All ratios were in compliance. All rooms had 2 staff with them. Observed many teachers on the floor interacting with the children. This is also a Valentine party day and it was running very smoothly and calmly. Healthy treats were also being provided along with cookies/cupcakes in the afternoon. Fire and health are current. Checked 8 new staff files and all were in order. There are 34 staff employed. Stephanie and Lindsey are a positive team with great commitment to the children and families that are served here. Discussed the rules and training opportunities.
