Extra visit to schedule facility inspection. While at the facility it was observed that there were 3 staff that do not have current central registry and sex offender registry on file. After staffing with Supervisor, Stoney Busch the 3 staff will need to leave and they will need to combine 2 to 15 children. 2 children will be sent home. They will need to have a plan in place for tomorrow as the staff will not be able to work until the time that they have either an approved variance or the results have been received. Facility Inspection for renewal scheduled on 10/20/21 at 9:30 am. 4 infants with Trina 5 with Amanda - 1 to 2 yrs 8 with Coveney 3-4 yrs old. We combined 15 with 2 staff and 2 children will be leaving. 2 children and 3 staff left during the time that Licensor was at the facility. Received variance request and the central registry scans for the 3 staff. I will send these into central registry. Please call me with any questions.
