Comments/TA Provided:

On 12.22.20 an unannounced visit was completed via FaceTime. Attendance records checked and verified with child in attendance. (1) staff, (1) child present. Ages: (1) age 4. The group was staff/child ratio compliant and well supervised. Child was eating snack. Staff records checked prior to visit and verified during visit that the staff members that are currently working are either fully qualified or working supervised with an approved variance while requirements are being completed. No new staff have been hired since the updated staff list that Director provided to Licenser on 12.4.2020. We discussed upcoming expiring items. Both fire and sanitation inspections are scheduled to be completed in January. Director will forward CAP to Licenser. No violations observed.
