Unannounced visit to see how things are going. They are reopened and feeling better, they did have a parent and a child come down with COVID during the time that they were closed. They also sent off a test for one of the staff that tested positive, however, her quarantine was over the day after they opened. Reviewed staff record with Shawnell, no new staff all information current and on file. Reminded Shawnell that there were a couple staff coming due for ELG/ELF in the next few months. Discussed the rule meetings and explained they were having another meeting tonight and she could register with STARS for this. There are 29 children present at time of visit. Josh 5, Melody 4, Alyx 6, Kamdyn 4, Paisley 4, Gio 4, Brandon 6, Kellan 3 Tegan 8, Robert 1, Kayd 3, Layla 3, Marie 3, Charleigh 4, Evelyn 3, Laylan 4 (Kohri and Jon) Everett 2, Harper Infant, Juniper 2, Gordy 2, Aurora 2, Huxley 1, Bradley 1, Brayton 1, Emmari 1, Kenzlee 1, Rowen 1, Hazel 1. (Shawnell, Jasmine, Karen). Discussed attendance and the children being separated into classrooms, they can only have a maximum of 15 children with two staff. Right now they are getting ready for lunch and all children are combined. Discussed ratios and to really watch the ratios since they have so many littles enrolled. They are keeping attendance sheets for each classroom. There were a few pack n plays that the bottoms were not secured, gave Shawnell these needed secured prior to children sleeping in there. They also had a pack n play that the mesh had a whole in it explained it could not be used. It was removed from the child care space during the time I was at the facility. They stated hat they were just using it for storage. Please call me with any questions. Thank you!
