<b>Comments:</b>		
<p>Received copies of annual variance requests for visiting therapists at the time of the visit and supporting documentation is attached to the variance requests. Conducted sanitation inspection for child care licensing, documentation from department of ag health inspection is also on file to ensure compliance with sanitation. Discussed staff training that appears to be missing in stars and provided TA - contact stars directly or Align and maybe Penny can help assist with getting these missing hours credited since Ellie is not available at this time.</p>		

**69. Child Records Notes**

Child records are all compliant at the time of the visit. There are currently 16 children enrolled and child records are updated during enrollment in the fall. Reviewed two child records for compliance. The nurse has the child immunizations, health information, and emergency medical consent on file in her office.

**70. Staff/Volunteer Record Notes**

Staff records are all compliant at the time of the visit. Reviewed all new staff physical files that were hired within the passed year for compliance. Josie and Karly are no longer staff at the facility at this time and were removed from the staff record.

**71. Staff Child Ratios and Supervision**

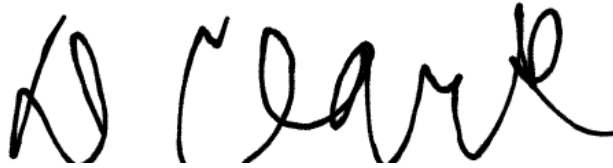

There are 12 children in attendance at the time of the visit with two staff members, Mellissa and Matti ( 4 - 3 years old, 8 - 4/5 years old) Child to staff ratios are all compliant at the time of the visit. Reviewed classroom attendance to ensure it was current and up to date at the time of the visit.
