Comments: Conducted sanitation inspection for the facility at the time of the visit. TA - discussed that the temp of the fridge needs to be 41 degrees or less, and discussed that the temp of the water needs to be less than 120 degrees. Classroom #1 is enjoying a donut day at the time of the visit. Classroom #2 are learning about curriculum for their bible study week, and classroom #3 is playing outside on the playground. Facility is all in compliance at the time of the visit.		

69. Child Records Notes

There are a total 43 children enrolled at the facility at the time of the visit and reviewed 6 child records to ensure compliance. Child records are updated in the fall. There is one child in attendance that has the religious waiver for immunizations and all child records are compliant at the time of the visit.

70. Staff/Volunteer Record Notes

Reviewed all new hired staff records and physical files to ensure compliance. Received updated CPR/FA for Alecia, and discussed that staff are missing parts of their core training and ELG.ELF hours for renewal. Provider states that two staff are leaving this summer before their first full renewal year so they will not be completing the ELG/ELF training at this time and the third staff will be completing the ELG/ELF this summer as her first full licensing year is extended past the renewal date.
