Comments/TA Provided:

Required unannounced visit completed this date. They are still being diligent about the COVID and sanitizing. They are still sanitizing and taking temperatures when anyone comes into the building. They are operating three all day classrooms this year. They did not have enough enrollment for the 4 year old classroom. Currently they have 30 preschool children enrolled. They are not comingling classrooms and are doing all activities in their own classrooms, such as lunch and naps. They are using different zones on the playground so that they are not with other children outside. There are 8 children (2-3) with one staff Angela There are 8 children (4-5) with Debra (sub) There are 6 children (3-4) with Susan Verified staff records, missing ELG/ELF for Melissa. She is not working at this time as she has been out for COVID leave. Jeanne will have her complete the ELG/ELF prior to having her return to work. Jeanne has a substitute on her list that needs updated central registry and CPR/FA, however, she hasn't subbed and Jeanne will have her complete this information prior to having her work. All other records were verified, information current and on file. CCL-301 and CCL-305 emailed to Jeanne and Board of Directors.
