Comments/TA Provided:

Licenser arrived and Shilo had 13 children attempting to rest. 3 were infants, 1 1 yr olds, and 9 2 yr olds. Renee had 2 3 yr olds, 6 4 yr olds and 2 5 yr olds. A staff person had left due to health and two staff had gone to lunch. Explained that once children are asleep the staff persons may have lunch on the premises as long as they can be called and brought back into ratio immediately. Rcvd updated staff summary. It is difficult to obtain and retain staff at this time. Fire, health and other qualifications are current at this time.
