Comments/TA Provided:

Facility visit completed this date. Yvonne is not here today, however, Stacie Ross, Assistant Director is present. Reviewed staff record with Stacie, received updated information that was needed and update on staff no longer working at the facility. Reminded Stacie that Yvonne needs to send her new central registry in as hers expires in December. Yvonne arrived at the facility while I was there, she has sent her central registry in. Also, staff member Payton will be coming due for ELG/ELF. At this time they have There are 8 children (3-5) with Stacie and Payton. There are 4 infants with Jessica There are 5 1's with Whitley. There are 8 2 year olds with Aly. They are using a floater to do diaper changes for each classroom. Yvonne is having issues with hiring staff so is keeping her numbers low so that the extra staff is available to step in to classrooms and help with diaper changes. Things are going well. Please call me with any questions. Thank you! HAPPY THANGSGIVING :-)
