Comments/TA Provided:

Director Peggy Wolf present at time of visit, two classrooms in session, ratios and supervision observed, 3-4 room ratio 3:9 children 4-5 room ratio 2:12. Outside area observed no changes and equipment in good shape. Pea gravel in place as resilient surface for climber. Addition of science room is very nice, provides opportunities for STEM and other activities. Rulebook and TA for policy provided at visit. Discussed new process for central registry screens. Main office will be in charge of processing the screens. All seems to be going well. Facility will not have any summer sessions.
