Comments/TA Provided:

Compliance monitoring visit done this day Miranda was the only staff present with 18 children, 11 in the front room and 7 in the preschool room. There was a combination of both awake and asleep children in each of the two classrooms. Staff K.R. came into the building through the front door after the Licenser arrived. Staff D.M. and I.R. moved over to the Learning Center from the Littles building coming in through the front door with 3 children after Staff K.R. arrived.
