Comments/TA Provided:

Unannounced visit conducted on this date. Infant sleep was observed during the visit. TA- provided for ensuring infant sleeping room has enough light so that staff can see children's faces, and please ensure that all bottles are labeled with the child's name including in the one and two year old rooms. Staff:Child ratio and supervision were observed. There was 21 napping children aged 3 and 4 with 1 staff, 25 awake one and two year old children with 2 staff, 7 infants with 2 staff, and 4 children 4 and up playing on the playground. TA-provided for supervision of older children as they go to the restroom from the classroom. The new playground surfacing looks great! TA provided to remind staff to keep the back door closed to keep pests and bugs out of the facility. TA also provided for children napping too close together in the two year old room please ensure that there is at least 2 feet of space between each nap cot and ensure that attendance records are kept accurately to reflect how many children are in each area of the facility including bringing attendance records outside.
